

		MONDAY 12						
		Parinacota						
09.00-18.00		ISBM EC, Board, Governing Council Meetings						
		TUESDAY 13						
09.00-18.00		ISBM EC, Board, Governing Council Meetings						
18.00-20.00	ISBM Presidential Reception. Rally Museum. Transportation will be provided.							
		WEDNESDAY 14						
08:00-17:00	Registration (Americas' Foyer)							
09:00-12:00	Poster set up for Poster Session A							
09:00-12:00 13:30-	WORKSHOPS							
09:00-12:00	Norte America	Parinacota	Tupungato	Llaima	Centro America	Sud America	Europa	Antartica
	Workshop 1: Part I (Invited) Clinical Impact of Randomized Clinical Trials – Do Their Designs Meet Expectations? <i>Lynda Powell, Ken Freedland, Peter Kaufmann</i>	Workshop 2: (Invited) Designing Innovative Behavioral Interventions for Chronic Diseases: The “Nuts and Bolts” of Behavioral Treatment Development <i>Susan M. Czajkowski, Sylvie Naar, Lynda Powell, Kenneth Freedland</i>	Workshop 3: (Invited) mHealth interventions in hard to reach groups: how to engage with less access or familiarity with mobile health technology <i>Anna Serlachius</i>	Workshop 4: (Invited) Applications of latent growth modeling in longitudinal behavioral medicine research <i>Maria Magdalena Llabre, Stephanie L. Fitzpatrick</i>	Workshop 5: Part I Closing the gap on access to healthcare among international migrants to Chile: evidence and solutions <i>Karen Carpio, Claudia Silva, Báltica Cabieses, Macarena Chepo, Daniel Larenas, Josette Iribame,</i>	Workshop 6: (Invited) Third generation behavioral therapies in hospital settings: ACT for children and adolescents <i>Cointa Arroyo Jimenez, Lucia Torres Perez, Argelia Lara Puente</i>	Workshop 7: (Invited) Using qualitative data to inform intervention development, refinement and adaptation to meet necessary benchmarks before a fully powered efficacy trial <i>Ana-Maria Vranceanu</i>	Workshop 8: (Invited) Teaching Behavioral Medicine: An Inspirational Workshop <i>Anne H Berman, Jamie Bodenlos, Dorit Pekmezli, Wong Mee Lian, Konstadina Griva, Lee Kong Chian, Pemilla Asenlöf, Yanjie Yang, Joost Dekker</i>
12:00-13:00	Lunch Break							
13:00-16:00	Workshop 1: Part II (Invited) Clinical Impact of Randomized Clinical Trials – Do Their Designs Meet Expectations? <i>Lynda Powell, Ken Freedland, Peter Kaufmann</i>	Workshop 9: (Invited) Bringing an Experimental Medicine Approach to Behavior Change: An Introduction to the NIH SOBC Program <i>Karina W. Davidson, Donald Edmondson, Jennifer A. Sumner</i>	Workshop 10: Complex interventions in health: guidance on development, evaluation and the importance of context <i>Sharon Simpson, Rona Campbell, Laurence Moore</i>	Workshop 11: Introduction to Applying Network Meta-Analysis in Behavioral Medicine <i>Chris Noone, Gerry Molloy</i>	Workshop 5: Part II Closing the gap on access to healthcare among international migrants to Chile: evidence and solutions <i>Karen Carpio, Claudia Silva, Báltica Cabieses, Macarena Chepo, Daniel Larenas, Josette Iribame,</i>	Workshop 12: (Invited) Introduction to Motivational Interviewing: Techniques, Processes, Proficiency <i>Anne Berman</i>	Workshop 13: (Invited) Integration of physiotherapy in behavioral medicine intervention research <i>Pemilla Asenlöf, Helena Igelström, Maria Sandborgh, Johanna Fritz</i>	Workshop 14: (Invited) Epistemonikos (What is worth knowing): the world's largest database of health evidence <i>Gabriel Rada</i>
17:00-18:30	Americas (Sur, Central & Norte) Opening Ceremony & ISBM Awards Imelda Florin Lecture: Urs Nater, PhD. University of Vienna, Austria. Psychosocial Stress, Neuroendocrine Dysregulation and Disease Susceptibility							
18:30-20:00	Volcanes (Llaima, Tupungato & Parinacota) Welcome Reception & Poster Session A*							

THURSDAY 15								
07:15-17:00	Registration (Americas' Foyer)							
	Set up Posters for Poster session B							
	Norte America	Parinacota	Tupungato	Llaima	Centro America	Sud America	Europa	Antartica
	MEETINGS							
7:30-8:20	Meeting: Forging international collaborations to study the dissemination of the Human papillomavirus vaccine in low and middle income countries Shemi Sheinfeld Gorin, Julia Brotherton, Catterina Ferrecio, Sharon J.B.	Meeting: Data Blitz: Top ICBM Posters Shelby Langer, Susan Lutgendorf, Shemi Sheinfeld Gorin			Meeting: Early Career Mentoring Breakfast Roundtables Betsy Seng	Meeting: Meet the Editors of Translational Behavioral Medicine. A Premier Journal of the Society of Behavioral Medicine Suzanne M. Miller, Michael A. Diefenbach		
	SYMPOSIA							
8:30-10:00	Symposium 1 (Invited) Global Approaches to Increasing the Uptake of the HPV Vaccine: Examples from Four Countries <i>Cancer prevention and control</i> Sheinfeld Gorin USA; Chile; Japan; Australia	Symposium 2 Developing and Implementing Psychosocial Oncology in Diverse Patients <i>Cancer prevention and control</i> Yanez Netherlands; USA	Symposium 3 (Invited) The impact of early environments on maternal and child obesity and overweight <i>Nutrition, obesity and health</i> Mullan Ireland; Australia	Symposium 4 Mental health of international migrants in Latin America: disentangling underlying mechanisms for action in public health <i>Culture, migration, minority status and health</i> Cabezas Chile; Costa Rica	Symposium 5 (Invited) Systematic light exposure to treat cancer- and cancer treatment-related symptoms <i>Cancer prevention and control</i> Wu USA; Iceland; Denmark	Symposium 6 How Stress Affects Wound Healing: Hormones, Cytokines, Gene Expression, and Immune Cells <i>Other</i> Weinman Netherlands; New Zealand; USA; UK	Symposium 7 Integrating Culture, Psychology, and Behavior: Research on Treatment Adherence, continuity of care, and willingness to seek psychotherapy in the USA, Mexico, and Chile <i>Culture, migration, minority status and health</i> Betancourt Chile; USA	Symposium 8 (Invited) Novel nonpharmacological approaches to pain management <i>Pain, musculoskeletal and neurological disorders</i> Vranceanu USA; Chile
	418 Translating knowledge on HPV vaccine to the real life situation in Chile: first 4 years results. <i>Translating knowledge on HPV vaccine to the real life situation in Chile: first 4 years results.</i> Catterina Ferrecio CHILE	565 Distress screening in colorectal cancer survivors for a randomized controlled trial to test the effectiveness of blended cognitive behavior therapy to reduce distress <i>Distress screening in colorectal cancer survivors for a randomized controlled trial to test the effectiveness of blended cognitive behavior therapy to reduce distress</i> Judith Prins NETHERLANDS	489 Childhood obesity prevention: the effectiveness and active ingredients of interventions delivered by health professionals during the first 1,000 days <i>Childhood obesity prevention: the effectiveness and active ingredients of interventions delivered by health professionals during the first 1,000 days</i> Marita Hennessy IRELAND	427 Digging into Migration Process: Acculturation, Attachment Styles, and Socio Cultural <i>David Siripou</i> CHILE	248 Light as a stimulus for the circadian system: impact on health and well being <i>Mariana Figueiro</i> UNITED STATES	477 The relationship between pro inflammatory cytokines, growth factors and wound healing after mindfulness meditation <i>Astrid Meesters</i> NETHERLANDS	714 Cultural and psychological factors related to seeking psychological help in Chilean young adults <i>Natalia Salinas</i> CHILE	216 The Toolkit for Optimal Recovery: Meeting the recovery needs of patients with orthopedic injuries <i>Ana Maria Vranceanu, Emily Zale, Chris Funes, Ann Lin, & David Ring</i> Ana Maria Vranceanu UNITED STATES
	419 Who and what are the enemies of the Japanese HPV vaccination programme? <i>Sharon JB Hanley</i> JAPAN	566 Data mining techniques to evaluate user engagement of a self help website for early breast cancer survivors in real world implementation <i>Judith Prins</i> NETHERLANDS	518 Lifestyle intervention to prevent obesity during pregnancy: A view to the future <i>Briony Hill</i> AUSTRALIA	627 Migration Flows and Mental Health: Developing Evidence Based Policies and Actions in Latin America <i>Karen Carpio Barrantes</i> COSTA RICA	260 Reducing Cancer Related Fatigue with Systematic Light Exposure <i>Ali Amdid</i> DENMARK	496 Exploring the cellular mechanisms behind the beneficial effects of expressive writing on healing <i>Elizabeth Broadbent</i> NEW ZEALAND	752 Extending Betancourt's Integrative Model of Culture, Psychological Factors, and Health Behavior to Biological Outcomes <i>Patricia Flynn</i> UNITED STATES	247 Feasibility and preliminary clinical outcomes from brief online treatment designed to promote psychological flexibility for people with chronic pain <i>Lance McCracken</i> UNITED KINGDOM
